Transformations

ABOUT DEBRA GORDY ~

Debra Gordy, Flourish Life & Relationship Coach, is renowned for her ability to empower others to achieve their dreams.

She literally wakes up peoples' souls, so they remember their Divine potential, and re-ignites their belief in themselves, in achieving it.

As a gifted teacher of spiritual wisdom, Debra has always intuitively known that soul-deep healing and growth is accessible for all. She profoundly believes that transformative life change is everyone's God-given potential.

One of the greatest of her healing gifts is her ability to hold this sacred space for others. She is gifted to see others as innately whole and healed. Her presence brings light where there is darkness and hope where there is despair.

As a previously divorced woman, and the author of the forthcoming book *Cinderella Wisdom: A Woman's Journey of Spiritual Healing to the Marriage of Her Dreams*, Debra has a tender heart for women hurting in their relationships. She is passionate about assisting them to end their relationships problems for good, step off the Relationship Roller Coaster, and create a new beginning for a happy, flourishing and lasting, eternal marriage.

Seamlessly synthesizing practical tools with spiritual guidance specific to each client's needs, Debra is renowned for her depth of insight, compassion, humor and remarkable intuitive ability to discern a client's core issues and hidden causes that keep her stuck in patterns of struggle. After assisting clients to heal their hidden causes for struggle and pain, Debra empowers them to co-create successful, flourishing marriages and families, and for living their dreams and fulfilling their destinies.

Debra is a talented and sought-after teacher, speaker and workshop leader. She lights up a room with her hope-infusing, healing presence. Her warmth, wit and real-life wisdom assists audiences large and small to realize their own inherent beauty and worth, to remember who they really are, and to re-ignite their belief and confidence in themselves.

Debra received her clinical MS degree in Marriage and Family Therapy from Brigham Young University in 1988. She is a member of the Association for Comprehensive Energy Psychology (ACEP).

Formerly a Relationship Therapist, Debra is a gifted Master Practitioner of Rapid Eye Technology, (MRET) and other Energy Psychology methods, and also holds numerous other credentials.

Debra is pleased to serve others in her profession and the community, and has previously served as a member of the Board of Directors of the Colorado Association of Psychotherapists (CAP).

Debra shares:

"A client's quest for a flourishing successful marriage, healed family relationships, personal wellness, or release from depression, painful memories, or any other dream quest, is always a sacred journey.

"As I assist another on her path, I experience this sacred ground. I feel deeply grateful for the privilege, and honored by the trust my clients and students give me. It brings me great joy to be of assistance to others on their journey toward Joy."
